Production - Grains: 16 Projects			
532,9 US\$ Million			
City	State	Investment Project	Investment
Brasília	DF	Grains production for poultry chain with supplementary irrigation	From US\$ 10 to 50 Million
Brasília	DF	Expansion of coffee production by investments in irrigation and construction of a power generation unit from organic waste	From US\$ 10 to 50 Million
Goiânia	GO	Expand the industrialization of soybeans, corn, chickpeas, lentils, peas, seeds for grazing and increase the volume of grains for export	From US\$ 10 to 50 Million
Boa Esperança	MG	Dairy Industry Modernization	From US\$ 10 to 50 Million
Luisburgo	MG	Project to build a coffee processing plant and a packing house for fruits	From US\$ 2 to 10 Million
Minas Gerais	MG	Complete the project implementation to implement new areas of LFPS and herd breeding.	From US\$ 10 to 50 Million
Vera	MT	Greenfield project focused on renewable energy market.	From US\$ 10 to 50 Million
Novo Hamburgo	RS	Establishment of a grain storage area and to provide working capital	From US\$ 10 to 50 Million
Pelotas	RS	Expansion of production and modernization of facilities	From US\$ 10 to 50 Million
Chapecó	SC	Installation of seed production and marketing units.	From US\$ 10 to 50 Million
Campinas	SP	R & D: investment in technology for processing rice and beans	From US\$ 10 to 50 Million
Pindamonhangaba	SP	Investment for expansion of productive area of special rice, improvement of mechanization, irrigation, etc.	From US\$ 2 to 10 Million
São Paulo	SP	Market expansion (solutions for monitoring, control and certification from production in the field to the final customer)	From US\$ 2 to 10 Million
Boa Vista	RR	New structures for planting	Up to US\$ 2 Million
Rio das Ostras	RJ	Growing potatoes, beans, rice, wheat, corn, canola, soy, peanuts and Brazil nuts	Up to US\$ 2 Million
Rio de Janeiro	RJ	Expansion of operational capacity for on-site monitoring of transport logistics to the port of shipping.	Up to US\$ 2 Million

Production - Coffee:		3 Projects	
		3,5 US\$ Million	
City	State	Investment Project	Investment
Campo Belo	MG	Increase in milk and coffee production capacity	Up to US\$ 2 Million
Medeiros	MG	Increase coffee production estrutura.	Up to US\$ 2 Million
Campestre	MG	Expansion's project is for commercialization and distributions, and a project of capsules initialization in next year and another brand yet.	Up to US\$ 2 Million

Production - Sugar Cane:		3 Projects	
		4,9 US\$ Million	
City	State	Investment Project	Investment
Faria Lemos	MG	Worldwide expansion project with investment in product promotion in target markets (USA / Germany / UK / France / Italy / Japan) and working capital for export.	Up to US\$ 2 Million
Duas Barras	RJ	Expansion of production and sales capacity	Up to US\$ 2 Million
Rio de Janeiro	RJ	Expansion of operational capacity for on-site monitoring of transport logistics to the port of shipping.	Up to US\$ 2 Million

Production - Seeds:				1 Project			
				50,0 US\$ Million			
City		State	Investment Project			Investment	
Chapecó		SC	Installation of seed production and marketing units.			From US\$ 10 to 50 Million	

Production - Livestock:		20 Projects	
		668,0 US\$ Million	
City	State	Investment Project	Investment
Goiânia	GO	Expand the industrialization of soybeans, corn, chickpeas, lentils, peas, seeds for grazing and increase grain export volume	From US\$ 10 to 50 Million
Rio Branco	AC	Complementary investment in primary production and working capital to implement integration model that guarantees regularity and quality of production for export	From US\$ 10 to 50 Million
Teixeira de Freitas	BA	Project to merge and expand the physical structure and operational slaughtering capacity of goats, pigs and sheep	Up to US\$ 2 Million
Brasília	DF	Production of grains for poultry chain with supplementary irrigation	From US\$ 10 to 50 Million
Brasília	DF	Meat processing industry installation	Above US\$ 50 Million
Goianira	GO	Modernization of industrial plant and increase of production	From US\$ 10 to 50 Million
Goiânia	GO	Process of Industrial Process of bovine confinement	Up to US\$ 2 Million
Goiás	GO	Partnership project in the construction of a poultry and pork slaughterhouse to meet the productive demand of the region.	Above US\$ 50 Million
Campo Belo	80	Increase in milk and coffee production capacity	Up to US\$ 2 Million
Boa Esperança	MG	Modernization of the Dairy Industry	From US\$ 10 to 50 Million
Minas Gerais	MG	Complete the project to implement new areas of LFPS and herd breeding.	From US\$ 10 to 50 Million
Recife	PE	Cattle raising project on irrigated pasture.	From US\$ 10 to 50 Million
Sarandi	PR	Abattoir and refrigerator installation project for export	From US\$ 2 to 10 Million
Paraná	PR	Poultry production project	From US\$ 10 to 50 Million
Bento Gonçalves	RS	Installation of a production unit for broilers	Above US\$ 50 Million
São Paulo	SP	Investment to expand the commercialization of agricultural products, foodstuffs, as well as the export of Brazilian live cattle.	Up to US\$ 2 Million
Bady Bassitt	SP	Increase in production capacity of chickens.	From US\$ 10 to 50 Million
Bragança Paulista	SP	Market expansion (Livestock and breeding insutry Nelorre PO)	From US\$ 2 to 10 Million
São Paulo	SP	Extension of poultry feed factory	From US\$ 2 to 10 Million
Tapejara	RS	Project for expansion and modernization of feed factory and construction of pig production unit (pig production unit, nursery and termination)	From US\$ 10 to 50 Million

Production - Fruits: 12 Projects 108,4 US\$ Million			
City	State	Investment Project	Investment
Macapá	AP	Regional fruit processing industry, including açaí, with elaboration of lyophilized products, sorbet, energy drinks, mixes.	From US\$ 2 to 10 Million
Luisburgo	MG	Project to construct a plant for the benefit of coffee and a packing house for the benefit of fruits.	From US\$ 2 to 10 Million
Encantado	RS	Expansion and construction of a new industrial filling plant for juices due to high demand and need.	From US\$ 2 to 10 Million
Fraiburgo	SC	Seeking for an international partner, or merger / acquisition in order to strengthen the company and expand its operations both in the domestic and international markets	From US\$ 10 to 50 Million
Piracicaba	SP	Installation of fruit processing plant, initially mangoes.	Up to US\$ 2 Million
São Paulo	SP	Expansion of the commercial and production area: 100% natural foods, ready for consumption, with single dose and low calorie (fruits and vegetables)	Up to US\$ 2 Million
Santana Do Parnaíba	SP	Increase the production capacity (natural, super-frozen and processed products, açaí derivatives), expansion of distribution capacity (own brands), and export start-up.	From US\$ 2 to 10 Million
Dracena	SP	Investment to expand the production capacity of juice and fruit puree.	Up to US\$ 2 Million
São Paulo	80	Market expansion (solutions for monitoring, control and certification from production in the field to the final customer)	From US\$ 2 to 10 Million
Rio das Ostras	RJ	Growing of tropical fruits from Amazonic region and other regions from Brazil	Up to US\$ 2 Million
Rio de Janeiro	RJ	Expansion of operational capacity for on-site monitoring of transport logistics to the port of shipping.	Up to US\$ 2 Million
Manaus	AM	Acquisition of new machinery	Up to US\$ 2 Million

Production - Vegetables:		7 Projects	
		15,0 US\$ Million	
City	State	Investment Project	Investment
União Dos Palmares	AL	Renewal and Expansion of the Production Area and Implantation of Industrial Line for crushing and packaging of black pepper.	Up to US\$ 2 Million
Curitiba	PR	Commercial expansion project of yerba mate product	Up to US\$ 2 Million
Curitiba	PR	Installation of unit for processing, storage and logistics for export.	Up to US\$ 2 Million
São Paulo	SP	Expansion of the commercial and production area: 100% natural foods, ready for consumption, with single dose and low calorie (fruits and vegetables)	Up to US\$ 2 Million
Boa Vista	RR	New structures for planting	Up to US\$ 2 Million
Nerópolis	GO	Expand comercialization to reach other states on internal market, achieving new costumers and to export.	From US\$ 2 to 10 Million
Manaus	AM	Acquisition of grain packing machinery	Up to US\$ 2 Million

Production - Bioenergy		3 Projects	
		150,0 US\$ Million	
City	State	Investment Project	Investment
Brasília	DF	Expansion of coffee production by investments in irrigation and construction of a power generation unit from organic waste	From US\$ 10 to 50 Million
Vera	MT	Greenfield project focused on renewable energy market.	From US\$ 10 to 50 Million
São Paulo	SP	Investment to expand the operation of fixed assets (Grain Farms, Livestock, Refrigerators and Dairy. Clean energy generation plants).	From US\$ 10 to 50 Million

Production - Forestry:		3 Projects	
		80,0 US\$ Million	
City	State	Investment Project	Investment
Salvador	BA	Plantations focused on the production of pulp, paper, wood in general, biomass energy.	From US\$ 10 to 50 Million
São Paulo	SP	Market expansion (solutions for monitoring, control and certification from production in the field to the final customer)	From US\$ 2 to 10 Million
Campo Belo	MG	Creation of a Society for Specific Purpose (SPE) to deploy a 1,000-hectare forest of Australian cedar, in a leased area in Minas Gerais - Greenfield Project.	From US\$ 10 to 50 Million

Production - Fisheries:		8 Projects	
		273,0 US\$ Million	
City	State	Investment Project	Investment
Alexânia	GO	Installation of two fish processing plants.	From US\$ 10 to 50 Million
Sorriso	MT	Increase in operating capacity and increase in cash flow	From US\$ 10 to 50 Million
Porto Velho	RO	Participatory, full-chain production projects with corporate participation for large-scale projects destined to produce fish native to the Amazon, with a global market already prospected to commercialize the production.	Above US\$ 50 Million
Mococa	SP	Investments and working capital for the production of Tilapia, Pintado and Pangasius (production of fingerlings, fattening, breeding and industrialization).	From US\$ 10 to 50 Million
Rio das Ostras	RJ	Breeding fishes from Amazon, specially Pirarucu	Up to US\$ 2 million
Camocim	CE	50% long time investment 50% product capital	Up to US\$ 2 million
Cuiabá	MT	Construction and installation os hatching facility, fishmeal production facility, rearing farms, piers and logistics structures and slaughterhouse, in a period up to 4 years, producing and processing 120 tons os tilapia per day.	Above US\$ 50 Million
Perdizes	MG	Increase of slaughtering facilities and of the productive capacity and construction of part of the calf (tilapia larvae).	From US\$ 2 to 10 Million

Industry / Processing - Livestock:		16 Projects	
		381,0 US\$ Million	
City	State	Investment Project	Investment
Rio Branco	AC	Complementary investment in primary production and working capital to implement integration model that guarantees regularity and quality of production for export	From US\$ 10 to 50 Million
Teixeira De Freitas	BA	Project to merge and expand the physical structure and operational slaughtering capacity of goats, pigs and sheep	Up to US\$ 2 Million
Fortaleza	CE	Modernization of industrial plant and working capital of sheep and goat fur processing unit	Up to US\$ 2 Million
Brasília	DF	Meat processing industry installation	Above US\$ 50 Million
Goianira	GO	Modernization of industrial plant and increase of production	From US\$ 10 to 50 Million
Belo Horizonte	MG	Project to finance a phase 3 clinical study (green propolis).	From US\$ 2 to 10 Million
Boa Esperança	MG	Modernization of the Dairy Industry	From US\$ 10 to 50 Million
Contagem	MG	Seeks investors and commercial partnerships for the food market (Milk powder and dairy products, farinaceous and beans)	From US\$ 2 to 10 Million
Itajubá	MG	Increase in production capacity by 30%, with a focus on exports	From US\$ 2 to 10 Million
Bento Gonçalves	RS	Installation of a production unit for broilers	Above US\$ 50 Million
São Paulo	SP	Investment to expand the commercialization of agricultural products, foodstuffs, as well as the export of Brazilian live cattle.	Up to US\$ 2 Million
São José dos Quatro Marcos	MT	Reactivation of meat processing industry	From US\$ 2 to 10 Million
Brasileia	AC	Increase pork slaughtering capacity for 600 animals per day.	From US\$ 2 to 10 Million
Rio Claro	SP	Investment to increase production, productive improvements such as the purchase of new equipment, invest in new products and buy the part of members who have retired and do not want to work in the company.	From US\$ 10 to 50 Million
São Paulo	SP	Acquisition of equipments for new products (White Egg High Gel, New Packages, Technology Update) New Farm to produce more Fresh Eggs.	Above US\$ 50 Million
Tapejara	RS	Project to raise slaughtering capacity in three times the volume and to raise frozen meat capacity for exporting.	From US\$ 10 to 50 Million

Industry / Processing - Agriculture: 41 Projects			
867,0 US\$ Million			
City	State	Investment Project	Investment
Macapá	AP	Regional fruit processing industry, including açaí, with elaboration of lyophilized products, sorbet, energy drinks, mixes.	From US\$ 2 to 10 Million
Macapá	AP	Sustainable extractive harvesting and high-quality processing	From US\$ 2 to 10 Million
Brasília	DF	Production of grains for poultry chain with supplementary irrigation	From US\$ 10 to 50 Million
Brasília	DF	Expansion of coffee production by investments in irrigation and construction of a power generation unit from organic waste	From US\$ 10 to 50 Million
Goiânia	GO	Expand the industrialization of soybeans, corn, chickpeas, lentils, peas, seeds for grazing and increase grain export volume	From US\$ 10 to 50 Million
Maranhão	MA	Refrigerated meat outflow using the railway infrastructure of the Itaquí Port (North-South Railway)	Above US\$ 50 Million
Boa Esperança	MG	Modernization of the Dairy Industry	From US\$ 10 to 50 Million
Campo Belo	MG	Increase in milk and coffee production capacity	Up to US\$ 2 Million
Contagem	80	Seeking investors and commercial partnerships for the food market (Milk powder and dairy products, farinaceous and beans)	From US\$ 2 to 10 Million
Nova Lima	MG	Project to expand activities with a focus on the foreign market, including the construction of a new plant and the acquisition of machinery	Up to US\$ 2 Million
Curitiba	PR	Commercial expansion project of yerba mate product	Up to US\$ 2 Million
Curitiba	PR	Hops and stevia production projects	Up to US\$ 2 Million
Duas Barras	RJ	Expansion of production and sales capacity	Up to US\$ 2 Million
Mossoró	RN	Construction of industrial plant, warehouse and quality control laboratory.	Up to US\$ 2 Million
Bento Gonçalves	RS	Installation of soybean oil production unit	Above US\$ 50 Million
Encantado	RS	Expansion and construction of a new industrial filling plant for juices due to high demand and need.	From US\$ 2 to 10 Million

Industry / Processing - Agriculture: 41 Projects			
867,0 US\$ Million			
Farroupilha	RS	Production expansion project focused on the production of grape juice and the use of waste for energy generation	From US\$ 10 to 50 Million
Novo Hamburgo	RS	Establishment of a grain storage area and to provide working capital	From US\$ 10 to 50 Million
Porto Alegre	RS	Sugar production plants and soybean oil refining	From US\$ 10 to 50 Million
Fraiburgo	SC	Seeking an international partner, or merger / acquisition in order to strengthen the company and expand its operations both in the domestic and international markets	From US\$ 10 to 50 Million
Araçoiaba Da Serra	SP	Investment to expand the production capacity of petfood (ornamental fish, poultry, turtles, rodents and fish).	Up to US\$ 2 Million
Campinas	SP	R & D: investment in technology for processing rice and beans	From US\$ 10 to 50 Million
Santana Do Parnaíba	SP	Increase in production capacity (natural, super-frozen and processed products, açai derivatives), expansion of distribution capacity (own brands), and export start-up.	From US\$ 2 to 10 Million
São Paulo	SP	Expansion of organic vinegar production.	Up to US\$ 2 Million
São Paulo	SP	Market expansion (solutions for monitoring, control and certification from production in the field to the final customer)	From US\$ 2 to 10 Million
São Paulo	SP	Investment in açai company: Manufacturing expansion, Restructuring of the commercial area, updating of the product portfolio, market expansion, R & D, etc.	From US\$ 2 to 10 Million
São Paulo	SP	Market expansion (financial products)	From US\$ 10 to 50 Million
São Paulo	SP	Investment to expand the operation of fixed assets (Grain Farms, Livestock, Refrigerators and Dairy).	From US\$ 10 to 50 Million
São Paulo	SP	Investment for expansion of operations (Frigoríficos, fish farm, greenfield plant, several farms and agricultural properties in the main grain producing regions of the country).	Above US\$ 50 Million
São Paulo	SP	Investment for expansion of company operations (Biodiesel, grain farms, solar and wind power plants, organic planting, etc.)	Above US\$ 50 Million
Jaíba	MG	Investment for expansion of company operations (Biodiesel, grain farms, solar and wind power plants, organic planting, etc.)	Up to US\$ 2 Million
Manaus	AM	Acquisition of new machinery	Up to US\$ 2 Million
Paraíso	SC	Launch of a drink based on cachaça and guarana extract, to serve the young audience.	Up to US\$ 2 Million
Maringá	PR	Expanding our current presence in the US and European markets, new machinery, product innovations and R&D.	From US\$ 10 to 50 Million

Industry / Processing - Agriculture:		41 Projects	
		867,0 US\$ Million	
Nerópolis	GO	Expand comercialization to reach other states on internal market, achieving new costumers and to export.	From US\$ 2 to 10 Million
Itacoatiara	AM	To expand factoring unity and cashflow.	Up to US\$ 2 Million
Campo Largo	PR	Investments related to the area of foreign sales, to expand our international partnerships	Up to US\$ 2 Million
Coimbra	MG	Investment for expansion of factory estrutura, machinery and equipments and cashflow.	Up to US\$ 2 Million

Industry / Processing - Energy:		1 Project	
		50,0 US\$ Million	
City	State	Investment Project	Investment
Bento Gonçalves	RS	Installation of soybean oil production unit	Above US\$ 50 Million

Industry / Processing - Forestry:		1 Project	
		10,0 US\$ Million	
City	State	Investment Project	Investment
São Paulo	SP	Market expansion (solutions for monitoring, control and certification from production in the field to the final customer)	From US\$ 2 to 10 Million

Industry / Processing - Fisheries: 6 Projects			
184,0 US\$ Million			
City	State	Investment Project	Investment
Sorriso	MT	Increase in operating capacity and increase in cash flow	From US\$ 10 to 50 Million
Mococa	SP	Investments and working capital for the production of Tilapia, Pintado and Pangasius (production of fingerlings, fattening, breeding and industrialization).	From US\$ 10 to 50 Million
Senador Guimard	AC	Establishment of a partnership with investors to obtain capital for implantation of raising of Pirarucu species and increase of available capacity.	From US\$ 10 to 50 Million
Camocim	CE	50% long time investment 50% product capital	Up to US\$ 2 Million
Cuiabá	MT	Construction and installation os hatching facility, fishmeal production facility, rearing farms, piers and logistics structures and slaughterhouse, in a period up to 4 years, producing and processing 120 tons os tilapia per day.	Above US\$ 50 Million
Perdizes	MG	Increase of slaughtering facilities and of the productive capacity and construction of part of the calf (tilapia larvae).	From US\$ 2 to 10 Million

Industry / Processing - Inputs:		26 Projects	
		308,0 US\$ Million	
City	State	Investment Project	Investment
Brasília	DF	Expansion of coffee production by investments in irrigation and construction of a power generation unit from organic waste	From US\$ 10 to 50 Million
Goiânia	GO	Expand the industrialization of soybeans, corn, chickpeas, lentils, peas, seeds for grazing and increase grain export volume	From US\$ 10 to 50 Million
Paulista	PE	Agricultural expansion project	Up to US\$ 2 Million
Alvorada Do Sul	PR	Construction of a Quality Control Laboratory and International Storage and Distribution Center.	Up to US\$ 2 Million
Cascavel	PR	Opening and development of production channels	From US\$ 2 to 10 Million
Curitiba	PR	Construction of fertilizer production unit	From US\$ 2 to 10 Million
Curitiba	PR	Development of technological solutions and installation of manufacturing unit	Up to US\$ 2 Million
Curitiba	PR	Hops and stevia production projects	Up to US\$ 2 Million
Pato Branco	80	Development of software aimed at the agricultural sector	From US\$ 2 to 10 Million
Ponta Grossa	PR	Project of optimization of application of inputs with reduction in residual effects.	Up to US\$ 2 Million
Toledo	PR	Operational expansion project.	From US\$ 2 to 10 Million
Rio De Janeiro	RJ	Expansion of the company's infrastructure for greater investment in agribusiness clients.	Up to US\$ 2 Million
Caxias Do Sul	RS	Installation of a unit for the production of agricultural machinery	Up to US\$ 2 Million
Novo Hamburgo	RS	Establishment of a grain storage area and to provide working capital	From US\$ 10 to 50 Million
Araçoiaba Da Serra	SP	Investment to expand the production capacity of petfood (ornamental fish, poultry, turtles, rodents and fish).	Up to US\$ 2 Million
Franca	SP	Hiring people to develop more technical tools and sales force on the digital platform.	Up to US\$ 2 Million

Industry / Processing - Inputs:		26 Projects	
		308,0 US\$ Million	
Indaiatuba	SP	Market expansion (controlling weeds and invasives using high voltage electric power)	From US\$ 10 to 50 Million
Itapira	SP	Investment to expand the company's agricultural machinery market	Up to US\$ 2 Million
Orlândia	SP	Expansion of the plant and increase of sales force (foliar and granular fertilizers)	From US\$ 2 to 10 Million
Piracicaba	SP	Extension of the fleet of mobile laboratories and inclusion of new sensory equipment for the segment of grain, vegetables and milk production.	Up to US\$ 2 Million
Piracicaba	SP	Contribution of resources to expand the portfolio of customers of the digital platform.	Up to US\$ 2 Million
São Carlos	SP	Contribution of resources to expand the portfolio of customers of the digital platform.	Up to US\$ 2 Million
São Paulo	SP	Expansion and expansion of operational capacity for technological solutions company for the field.	From US\$ 2 to 10 Million
São Paulo	SP	Investment for market expansion (production and application of Neem extracts - natural products)	Up to US\$ 2 Million
São Paulo	SP	Expansion of the company operation with digital platform.	From US\$ 2 to 10 Million
São Paulo	SP	Market expansion (solutions for monitoring, control and certification from production in the field to the final customer)	From US\$ 2 to 10 Million

Other Sectors:		37 Projects	
		794,0 US\$ Million	
City	State	Investment Project	Investment
Rio Branco	AC	Structuring of industries in the production chains of fish farming, pig farming, sheep farming, timber products, strengthening of partnerships, business promotion	From US\$ 10 to 50 million
Maceió	AL	Rental of mixed livestock lands etc.	Up to US\$ 2 Million
Formosa	GO	Buy and sell seeds, grains and fruits with high added value for export.	From US\$ 10 to 50 million
Goiás	GO	Investment advice for rural areas	From US\$ 10 to 50 million
Jardim Goiás	GO	Support for cooperative economic and technological development projects	From US\$ 10 to 50 million
Belo Horizonte	MG	Investment in beekeeping projects for pharmaceuticals	From US\$ 10 to 50 million
Curitiba	PR	Hops and stevia production projects	Up to US\$ 2 Million
Paraná	PR	Poultry production project	From US\$ 10 to 50 million
Rio De Janeiro	80	Expansion of the company's infrastructure for greater investment in agribusiness clients	Up to US\$ 2 Million
Mossoró	RN	Construction of industrial plant, warehouse and quality control laboratory.	Up to US\$ 2 Million
