## Agribusiness Trade Mission to Indonesia

The high quality of the Brazilian products is guaranteed by its numerous certifications, making our products available, accepted and recognized in over 200 markets worldwide. This is thanks to the policies developed by the Ministry of Agriculture, institutions in the sector, as well as the constant pursue of Brazilian companies in offering products observing all international health and hygiene standards that guarantee and protect consumers.

This business matchmaking event aims at finding shared interests between Indonesian and Brazilian businessmen in order to initiate successful commercial partnerships.

Here you will find exporters of dairy products, poultry and beef.

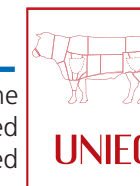

We are proud to present products and companies that will certainly satisfy your demands.

We wish you successful business meetings!
