Ministry of Agriculture and Livestock

The Ministry of Agriculture and Livestock (MAPA) is the Brazilian government body in charge of public policies to stimulate sustainable agriculture and foster enhancement within the sector.

MAPA works to integrate sustainable development and competitiveness guaranteeing food safety as well as surplus food for exports, strengthening the domestic productive sector and facilitating Brazil's access to the international market.

Dear Visitor,

It is a pleasure to welcome you to the **BRAZIL Pavilion at WOFEX Drinks & Bakes 2026**.

The Brazilian Government is proud to present **5 companies** at this year's edition which will showcase products such as **coffee, yerba mate, gin, açaí and its products**, among others.

In its deep commitment to keep delivering high quality and sustainable products to you and the world, Brazil is paving the way not only to meet the strictest standards when it comes to food quality, but also to guarantee food security for future generations.

*We invite you to enjoy
a taste of Brazil!*
