

A lista de habilitações de tipo ANAC faz parte da Instrução Suplementar – IS 61-004 e é composta pelos designativos de habilitação de tipo para pilotos determinados pela ANAC de acordo com o subparágrafo 61.5(b)(3) do RBAC 61. Ainda, a lista de habilitações de tipo ANAC apresenta informações específicas dos modelos relacionados relevantes para qualificação de tripulantes pilotos e operações de voo. Informações adicionais referentes a esta lista são apresentadas na IS 61-004.

The ANAC type rating list is part of the Supplementary Instruction (Instrução Suplementar) IS 61-004 and consists of the pilot type rating designations determined by the ANAC in accordance with subparagraph 61.5(b)(3) of the RBAC 61. Furthermore, the ANAC type rating list provide aircraft-specific references relevant to flight crew qualifications and air operations. Additional information concerning this list is provided in the IS 61-004.
