

12 Rua do Marquez d'Albuquerque

Dec-14th 1867

Dear Miss Barbosa

The weather is so
very unsettled, that I fear I shall
not be able to see you to-morrow,
as I hoped, therefore I send you
the stories I promised - Deception -
Ambition - Temptation, and the Welsh
Sevens are by me. And at the same
time I beg you will accept as a
slight souvenir 'John Marchmont's
Legacy,' by the favorite author.
