Dear Mr Elmer Livaudais.

The object of these lines is to inform you that I am leaving Gomes Filho & C^o within 3 months. They complain I have not deveoped the business as they expected, well you saw enough here in Rio, toknow that I could not push business, when they were tying my hands and feet. I do not know what I shall do but I will not forget to try to put the business in your way. In view of this I may be hard up and therefore thanking for the suits (white) I beg you not to send them to me, as may have great difficulty in getting the necessary funds for payment. I have a large family and must look forward to get what they require.

Could I trouble you and ask you to send by post registered to my wife the following book, which is unobtainable here:

A Course in citizenship & patriotism by
Ella Lyman Cabot & Fannie Fern Andrews
with an introduction by William Howard
Taft. (Houghton Mufflin C^o. New York.

the book should be addressed to

D. Isabel Jacobina Lacombe.
Curso Jacobina
69 Rua Guanabara. Laranjeiras
Rio de Janeiro.

The market is really higher than the public quotations indicate.
With best regards,

I remain, Dear Mr Elmer.

Yours very sincerely,
