

Dear Luken

I congratulate you most sincerely
with the kind remembrance of Mr Jackson in
offering the preference of a situation in the County
House of Wm Harrison Esq; & which I accepted with
gratitude subject to your approbation; he is
to have 3000⁰⁰ per annum & his washing paid
& is to go there immediately where he eats drinks
& sleeps, Mr Jackson was here yesterday, & wants
the answer immediately, therefore be so kind as
let me have your decision tomorrow morning
by Sam - I believe me most truly yours

affectly Wm Young

applying to Mr Wormald as you proposed
