

Paris 7 Dec 83  
Domingo

I sent you yesterday  
via Lisbon all the accounts  
& receipt of the case containing  
the Bonbons, but I put your  
address in a great hurry  
not to miss the mail; Cajemijn  
Amoroso Lima was with us  
talking, & I forgot to put on  
the envelope "Via Lisbon"  
Should the letter not arrive  
you can arrange with Lopes  
to sign a "responsabilidade"  
in the C. House, you can take  
out the case from father
