

Chanaan 15th May 1910

Dear Brune,

Just a few lines to say that we are leaving this place on the morning of the 18th, staying one night in São Paulo and will proceed to Rio by the early morning train, which, I think, should arrive at the Central about 9 p.m. Please allow this notice to take the place of my promised telegram.

Thanking you for all your kindness and with remembrances to your self and Gabrielle, in which may join.

I remain,

Yours sincerely,
P. K. H. H.
