Mr. D. L. Lacombe,

RIO DE JANEIRO.

Dear Mr. Lacombe,

The Companhia's No. 44 cable is really a downright insult! We have never yet in our experience received such a cable and we must ask you to protest very strongly in our name. We do all that is humanly possible, nobody can do better but we cannot simply sell at a moment's notice at fixed limits simply because the original owners desire to liquidate. If they wish to force the sale now they must simply take the best price obtainable but they cannot simply dictate the price to the buyers.

This was a most unreasonable telegram!

I remain, dear Mr. Lacombe,

Yours very truly,

Schoeberlein & Lobenhooffer
