Mr. D. L. Lacombe,

RIO DE JANEIRO.

Dear Mr. Lacombe,

We wrote you last on the 14th. inst. and have yours of the 2nd. inst.

GOMES. We are pleased that a little business has resulted. We hope soon to be in a position to cable Messrs. Gomes larger orders. We trust that the first shipments will be satisfactory in quality.

PEREIRA. We should be very much interested to receive from you fuller particulars of the reasons why you left. We had a letter from Mr. Eliakim, who has now returned to Europe, saying, amongst other things, that Pereira got himself into hot water with a number of Rio people, and that he seems to be altogether an impossible man to get on with.

MINAS. We could do a fair business in Minas provided you can guarantee us strictly softness similar to the coffees which you shipped last year for David Sion.

BUSINESS is somewhat better and there is distinctly more trade demand.

We remain, dear Mr. Lacombe,
yours faithfully,

Schoeberlein Lobenhofer
