

Brazil's Ministry of Finance invites civil society representatives to a webinar on the COP30 Circle of Finance Ministers

The Ministry of Finance of Brazil invites civil society representatives to join a webinar on the COP30 Circle of Finance Ministers, taking place on June 5, 2025 (Thursday), from 8:00 AM to 9:30 AM (Brasília time – UTC-3), via Zoom.

The webinar will present the objectives, scope, and activities of the COP30 Circle of Finance Ministers, as well as its role in supporting the development of the Baku to Belém Roadmap — an initiative aimed at mobilizing at least USD 1.3 trillion in climate finance for developing countries.

This will be an opportunity for civil society representatives to learn more about the Circle's work and to contribute with suggestions that will help guide its activities throughout 2025. The session is organized in partnership with the Institute for Climate and Society (iCS) and will include a moderated panel and interventions by selected civil society participants.

Participants are also invited to submit comments, suggestions, and contributions through the following form: https://docs.google.com/forms/d/e/1FAIpQLSenrw14jBGSKScLBWtqjioLEjl-5MYuMXoDZHB_8GZs1u6ZQ/viewform?usp=dialog
