

Terrestrial Vertebrates Risk Assessment to Pesticides SETAC Latin America Symposium 12-14 April 2022 | Virtual

Setting the Scene | 12 April

Time (BRT)	Topic	Speakers
1:30 p.m.	Welcoming Remarks	Ana Cione, Syngenta, Meeting Chair Flavio Rodrigues, SBE, Meeting Chair
1:40 p.m.	State of Art in Brazilian Regulation for Birds and Mammals and Reptiles and Amphibians	Ester Bensadon and Carla Pozzi, IBAMA
2:40 p.m.	State of Art of Regulation and Global Requirements of Risk Assessment Schemes	Ana Cione, Syngenta, Meeting Chair Manousos Foundoulakis, Corteva
3:40 p.m.	Break	
3:50 p.m.	State of Art in Academic Research Around the World: Evaluating Risk of Pesticides to Birds and Mammals and Reptiles and Amphibians Introduction to amphibians and potential routes of exposure; current studies and approaches for amphibians in EU; current studies and approaches in birds and mammals in USA	Raquel Salla, UFScar Isabel Lopes, University of Aveiro Dwayne Moore, Intrinsic Corp
5:20 p.m.	Q&A	Vanessa Bezerra de Menezes Oliveira, Universidade Federal de Tocantins
5:50 p.m.	Closing and Preparation for the Next Day	Vanessa Bezerra de Menezes Oliveira, Universidade Federal de Tocantins

Operational Concepts on T-REX (Birds and Mammals) | 13 April

1:30 p.m.	Welcoming Remarks	Ana Cione, Syngenta, Meeting Chair Flavio Rodrigues, SBE, Meeting Chair
1:35 p.m.	What About T-Rex? Knowing the Tool Presentation of EPA tool, how to use T-Rex and the conceptual basis of T-Rex	Justin Housenger, USEPA
2:20 p.m.	And How About the Refinements? More Options to Work With Your Results Case study: EPA-published results where refinements were used to discharge risk	Justin Housenger, USEPA
3:05 p.m.	Q&A	Veríssimo Sa, Corteva
3:45 p.m.	Break	
3:55 p.m.	Additional Refinement Options Refinement approaches from EU and USA	Manousos Foundoulakis, Corteva Mário Paniago and Jon Maul, Syngenta
4:55 p.m.	Q&A	Veríssimo Sa, Corteva
5:25 p.m.	Closing and Preparation for the Next Day	Veríssimo Sa, Corteva

Operational Concepts on T-HERPS (Reptiles and Amphibians) | 14 April

1:30 p.m.	Welcoming Remarks	Ana Cione, Syngenta, Meeting Chair Flavio Rodrigues, SBE, Meeting Chair
1:40 p.m.	What About T-HERPS? Knowing the Tool Presentation of EPA tool, how to use T-HERPS and the conceptual basis of T-HERPS	Justin Housenger, USEPA
2:10 p.m.	Amphibians and Reptiles: What We Know and Don't Know Possibilities and limitations in risk assessment	Valentin Mingo, Corteva Lennart Weltje, BASF Gustavo Santos, Syngenta
3:40 p.m.	Break	
3:50 p.m.	Assessing the Terrestrial Phase for Amphibians	Tom Purucker, USEPA
4:30 p.m.	Q&A	Ana Cione, Syngenta, Meeting Chair
5:20 p.m.	Closing Remarks	Ana Cione, Syngenta, Meeting Chair Flavio Rodrigues, SBE, Meeting Chair
