

Facing fire in a changing world: Reducing Vulnerability of Landscapes and People by Integrated Fire Management

Frente a Frente com o fogo em um mundo em mudanças: redução da vulnerabilidade dos ecossistemas e das populações por meio do manejo integrado do fogo

Date: 2019, 28 October to 1 November | 28 de outubro a 01 de novembro de 2019
 Local: Campo Grande - MS - Brazil | Campo Grande - MS - Brazil

Subtema 3: Contribución del Manejo Integral del Fuego en la mitigación de impactos secundarios

	Lunes, 28/10	Martes, 29/10	Miércoles, 30/10	Jueves, 31/10	Viernes, 1er/11		
9:00-11:00	Auditorio Manoel de Barros Ceremonia de Apertura y Sesión Plenaria - Wildfire+30	Auditorio Manoel de Barros Sesión Plenaria: El papel de las mujeres en el manejo integral del fuego		Auditorio Manoel de Barros Sesión Plenaria: El papel de las empresas de silvicultura en la conservación, prevención y combate a los incendios forestales			
11:00-12:30		Auditorio Tertuliano Amarilha Facilitador: Lawrence Nóbrega		Auditorio Pedro de Medeiros Facilitador: Roberto Rivera-Lombardi		Auditorio Tertuliano Amarilha Facilitador: Lawrence Nóbrega	
		1354	Concept for Integrated Fire Management on terrain contaminated by radionuclides in the Chernobyl Exclusion Zone		1171	Fire monitoring, analysis and modeling for climate change mitigation and improved fire management	
			Johann Goldammer, Sergiy V. Zibtsev			Gernot Rücker, Dejan Popovic, Joachim Tiemann, Anja Hoffmann, Veerachai Tanpipat	
		1232	Fire management on terrain contaminated by unexploded ordnance during and post conflict in Europe		1242	Manejo integrado do fogo pode gerar resultados de REDD+ para o Brasil?	
			Johann Goldammer, Sergiy V. Zibtsev, Nikola Nikolov			Alexandre Santos Avelino, Patrícia Abreu, Monique Sacardo Ferreira	
921	The effect of fire-induced pollution on respiratory health: an econometric analysis of the case of the Brazilian Amazon		1040	Application of market-based savanna burning approaches for incentivising sustainable fire management in fire-prone savannas			
	Demerval Moreira, Damaris Bento, José Gustavo Feres, Thiago Fonseca Morello			Ariadne Gorring, Sam Johnston, Robin Beatty, Jeremy Russell-Smith, Cameron Yates			
			Día de campo				
					Queimas prescritas no enclave de Cerrado do Parque Nacional dos Campos Amazônicos (PNCA) como instrumento de mitigação de incêndios florestais		
					Bruno Contursi Cambraia, Daniel Borini Alves, Ueslei Pedro Leal de Araujo		
					Reducing wildfire impacts through long term prescribed fire management: a north Australian case study		
					Jay David Evans		
					Aerial incendiary device used for Fire Management in South Africa		
					Christopher de Bruno Austin, Bob Connolly, Trevor Wilson, Nico Oosthuizen		

11:00-12:30	Auditorio Manoel de Barros Ceremonia de Apertura y Sesión Plenaria - Wildfire+30		972	<p>Long-Term, Fire-Induced Changes in Habitat Structure and Microclimate Affect Cerrado Lizard Communities</p> <p>Tânia Andrade de Queiroz, Heitor Campos de Sousa, Davi Lima Pantoja, Bernardo Miglio Costa, Guarino Rinaldi Colli</p>	1273	<p>Understanding the temporal dynamics of carbon emission from fires in the Amazon-Cerrado transition zone</p>	1036	<p>Fire behaviour simulation: a gamification approach supporting complex system learning, fire management planning and community engagement</p>	
						<p>Luiz Eduardo Oliveira Cruz Aragão, Liana O Anderson, John B Miller, Egidio Arai, Graciela Pinelli Tejada, Luciano Marani, Luciana Vanni Gatti e outros</p>		<p>Rohan Fisher</p>	
Almuerzo				Día de campo	Almuerzo				
14:00-16:00						<p>Auditorio Manoel de Barros e Hall Festival de Mascotas</p>	<p>Auditorio Manoel de Barros Sesión Global y Clausura</p>		
16:30-17:10									
17:10-17:30	1094	<p>(Auditorio Manoel de Barros) Approaches for Addressing Wildfire Smoke In the United States and Canada with Implications for Integrated Fire Management</p>	<p>Sesión Especial</p>		<p>Sesión de Poster</p>				
		<p>Peter Lahm</p>
