

IWFC

Background and important features

How the IWFC began

- The Boston Conference
- FAO North American Forestry Commission – FMSG
- The 3rd IWFC – Sydney, Australia

Value of face to face conversations

- With technology today, we may not engage in enough face to face talk.
- Use this time to clarify statements and initiate engagements.
- Also – ask questions, propose changes, and look to the future.

Taking this to Global and local levels

- The Summit
- Regional organizations and meetings
- Local and first response groups
