MINISTÉRIO DA
PESCA E
AQUICULTURA

GOVERNO DO
BRASIL
DO LADO DO POVO BRASILEIRO

11

Terça - feira | Tuesday

🕒 15h30 às 16h30

📍 Food & Agriculture Pavilion. Room 27.

BLUE ZONE

Belém-Campo grande Roadmap for Sustainable Fisheries and Aquaculture

Organized by the Ministry of Fisheries and Aquaculture of Brazil (National Secretariat for Registry, Monitoring, and Research of Fisheries and Aquaculture) in collaboration with Peru, Norway, the Amazon Cooperation Treaty Organization (ACTO), the Food and Agriculture Organization of the United Nations (FAO).

13

Quinta - feira | Thursday

🕒 16h às 17h30

📍 Pavilhão IICA da Agricultura Sustentável das Américas.

AGRIZONE

Soluções amazônicas para o clima:

Pesca e Aquicultura como soluções baseadas na natureza

Organizado pelo Ministério da Pesca e Aquicultura do Brasil (Secretaria Nacional de Pesca Industrial, Amadora e Esportiva), em colaboração com o Instituto Interamericano de Cooperação para a Agricultura.

14

Sexta - feira | Friday

🕒 13h15 às 14h45

📍 UN system event space. Side Event. Room 7.

BLUE ZONE

Un-oceans event on ocean-climatebiodiversity nexus: synergies across frameworks

Led by United Nations Division for Ocean Affairs and the Law of the Sea, Office of Legal Affairs, in collaboration with Food and Agriculture Organization of the United Nations (FAO), and other UN-Oceans members.

16

Domingo | Sunday

🕒 10h30 às 10h55

📍 Arena.

AGRIZONE

Roteiro Belém-Campo grande para a Pesca e Aquicultura Sustentáveis

Organizado pelo Ministério da Pesca e Aquicultura do Brasil (Secretaria Nacional de Registro, Monitoramento e Pesquisa), em colaboração com a Organização do Tratado de Cooperação Amazônica (OTCA), Pesquisadoras da Universidade Federal do Pará (UFPA) e Pescador Artesanal.

AGRIZONE

🕒 11h às 11h25

📍 Arena.

Brics dialogue on Fisheries and Aquaculture

Organized by Ministry of Fisheries and Aquaculture of Brazil (Special Advisory Office for International Affairs), in collaboration with the United Nations Conference on Trade and Development (UNCTAD).

17

Segunda-feira | Monday

🕒 10h às 11h15

📍 Auditório 2.

AGRIZONE

Mulheres das Águas: a voz das pescadoras e aquicultoras na ação climática

Organizado pelo Ministério da Pesca e Aquicultura (Assessoria de Participação Social e Diversidade).

BLUE ZONE

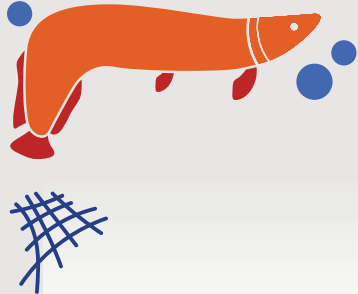

🕒 10h30 às 11h30

📍 Food and Agriculture Pavilion. Room 10.

Transforming blue food systems for equity, resilience, and climate action

Panel co-organized by the Aquatic Blue Food Coalition, Brazilian Agricultural Research Corporation (EMBRAPA), Food and Agriculture Organization of the United Nations (FAO), Stanford Center for Ocean Solutions, Rare, European Bureau for Conservation and Development, WorldFish, Environmental Defense Fund, World Resources Institute, Aquatic Life Institute (ALI), Coastal 500 Network, Food and Land Use Coalition Colombia, and the Ariari Sustainable Mayors Network.

AGRIZONE

🕒 12h40 às 13h55

📍 Auditório 2.

Contribuições dos povos da Pesca Artesanal para o enfrentamento da emergência climática nos territórios tradicionais pesqueiros do Brasil

Organizado pelo Ministério da Pesca e Aquicultura do Brasil (Secretaria Nacional de Pesca Artesanal).

AGRIZONE

🕒 14h às 15h15

📍 Auditório 2.

Fishery and Aquaculture resilience: cases from across the globe

Organized by the Ministry of Fisheries and Aquaculture of Brazil (Special Advisory Office for Participation and Diversity, Special Advisory Office for International Affairs), Food and Land Use Coalition (FOLU) and World Farmers' Organisation.

AGRIZONE

🕒 15h20 às 16h35

📍 Auditório 2.

Sistemas Agroalimentares Aquáticos: benefícios climáticos e socioambientais da Aquicultura tradicionais pesqueiros do Brasil

Organizado pelo Ministério da Pesca e Aquicultura (Secretaria Nacional de Aquicultura), em colaboração com a Conferência das Nações Unidas sobre Comércio e Desenvolvimento (UNCTAD), Organização das Nações Unidas para a Alimentação e Agricultura (FAO), Empresa Brasileira de Pesquisa Agropecuária (EMBRAPA).

AGRIZONE

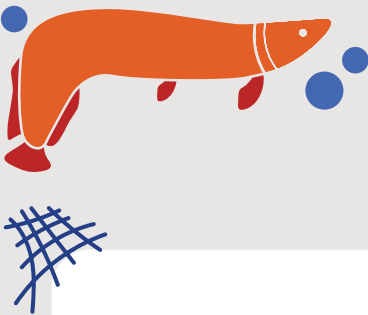

🕒 16h40 às 17h55

📍 Auditorium 2.

Nice-bonn-belém roadmap for the promotion of aquatic foods as climate solutions

Organized by Ministry of Fisheries and Aquaculture of Brazil (Special Advisory Office for International Affairs), in collaboration with the United Nations Conference on Trade and Development (UNCTAD), Food and Agriculture Organization of the United Nations (FAO), Division for Ocean Affairs and the Law of the Sea of the United Nations, WorldFish, European Bureau for Conservation and Development, Environmental Defense Fund, the Stanford Center for Ocean Solutions, Aquatic Blue Food Coalition, and Food and Agriculture Organization of the United Nations, Global Seaweed Coalition, and United Nations Global Seaweed Initiative (UNCSI).

18

Terça - feira | Tuesday

🕒 10h às 11h15

📍 Auditório 3.

AGRIZONE

Integração do setor da aquicultura nas políticas e estratégias nacionais sobre mudanças do clima

Organizado pelo Ministério da Pesca e Aquicultura do Brasil (Secretaria Nacional de Aquicultura).

AGRIZONE

🕒 11h20 às 12h35

📍 Auditorium 3.

Trade, climate, food security, and development potential of seaweed Aquaculture

Organized by the United Nations Conference on Trade and Development (UNCTAD), in collaboration with the Ministry of Fisheries and Aquaculture of Brazil, the Global Seaweed Coalition, and the United Nations Global Seaweed Initiative (UNCSI).

AGRIZONE

🕒 12h40 às 13h55

📍 Auditorium 3.

Aquatic foods for climate action: resilient solutions from small-scale Fisheries and Aquaculture

Organized by the Stanford Center for Ocean Solutions in collaboration with the Food and Agriculture Organization of the United Nations (FAO), Brazilian Agricultural Research Corporation (EMBRAPA Environment), Aquatic Blue Food Coalition, WorldFish, Environmental Defense Fund, International Institute for Environment and Development (IIED), European Bureau for Conservation and Development (EBCD), and the Ministry of Fisheries and Aquaculture (Special Advisory Office for International Affairs).

BLUE ZONE

🕒 13h30 às 14h30

📍 SDG Pavilion. Room E49.

Fisheries and Aquaculture as nature-based climate solutions

United Nations Department of Economic and Social Affairs, Sustainable Development Goals (SDG Pavilion). Organized by the Ministry of Fisheries and Aquaculture (Special Advisory Office for International Affairs).

19

Quarta - feira | Wednesday

🕒 9h às 10h30

📍 Virtual Ocean Pavilion. Online.

Empowering youth in Fisheries & Aquaculture: Advancing climate action through sustainable aquatic food systems

Led by Food and Agriculture Organization of the United Nations (FAO), in collaboration with World Food Forum (WFF), Environmental Defense Fund (EDF), Aquatic Blue Food Coalition (ABFC), and WorldFish.

BLUE ZONE

🕒 9h30 às 10h30

📍 Action Agenda.

Seaweed and Aquatic foods: blue solutions for climate resilience (pas implementation workshop)

Workshop on "Action Agenda Key Objective 9: More resilient, adaptive, and sustainable food systems". Leading organizations: Food and Agriculture Organization of the United Nations (FAO) and United Nations Conference on Trade and Development (UNCTAD). Plans to Accelerate Solutions (PAS) submitted by the Ministry of Fisheries and Aquaculture of Brazil (MPA): aquatic food systems and aquaculture. PAS Workshops (ID: 3_3_17): FAO Blue Transformation, UNCTAD United Nations Global Seaweed Initiative (UNGSI).

BLUE ZONE

🕒 10h às 12h

📍 Brazil Pavilion.

Raiz - Resilient agriculture investment for net zero land degradation

Ministerial panel led by the Minister of Agriculture and Livestock of Brazil (MAPA), with the participation of the participation of the Minister of Fisheries and Aquaculture of Brazil. RAIZ is a global effort to map and mobilize funding for the restoration of degraded agricultural lands worldwide, including mangroves, riverbanks, floodplains, wetlands, and estuarine areas, thereby achieving multiple co-benefits, including reducing emissions, strengthening food security, preventing deforestation and conserving biodiversity. RAIZ will be launched by MAPA in collaboration with the Food and Agriculture Organization of the United Nations (FAO).

BLUE ZONE

🕒 12h30 às 13h30

📍 Brazil Pavilion.

Women of the waters: resilience and adaptation in artisanal Fisheries and Aquaculture

Ministerial panel led by the Minister of Fisheries and Aquaculture of Brazil. Organized by the Ministry of Fisheries and Aquaculture, in collaboration with other Ministries of Brazil (tbc), fisherfolk and civil society representatives, the Food and Agriculture Organization of the United Nations (FAO) and the United Nations Conference on Trade and Development (UNCTAD).

Participation of the Minister of Fisheries and Aquaculture

20

Quinta-feira | Thursday

🕒 11h15 às 12h15

📍 Pavilhão Brasil.

GREEN ZONE

Algas: Bioinsumos aquáticos para sistemas alimentares resilientes, adaptados e sustentáveis

Evento ministerial presidido pelo Ministro da Pesca e Aquicultura e integrado pela Conferência das Nações Unidas sobre Comércio e Desenvolvimento (UNCTAD), Organização das Nações Unidas para a Alimentação e Agricultura (FAO), Iniciativa das Nações Unidas para as Algas (UNGSI), Global Seaweed Coalition, Chile, França, Japão (tbc).

Participation of the Minister of Fisheries and Aquaculture

BLUE ZONE

🕒 12h às 13h

📍 Ocean Pavilion.

Cooperation mechanisms to support small-scale Fisheries & seaweed Aquaculture

Led by the Stanford Center for Ocean Solutions and the Ministry of Fisheries and Aquaculture (Special Advisory Office for International Affairs), in collaboration with the Food and Agriculture Organization of the United Nations (FAO), Aquatic Blue Food Coalition, WorldFish, Environmental Defense Fund, and the European Bureau for Conservation and Development.

BLUE ZONE

🕒 13h15 às 14h45

📍 Side Event. Room 4.

Delivering on the cop30 action agenda and global stocktake through aquatic blue foods

Panel organized by WorldFish and the European Bureau for Conservation and Development, in collaboration with the Environmental Defense Fund, Stanford Center for Ocean Solutions, Aquatic Blue Food Coalition, the Ministry of Fisheries and Aquaculture, and the Food and Agriculture Organization of the United Nations (FAO).

21

Sexta-feira | Friday

🕒 13h45 às 14h45

📍 Brazil Pavilion.

BLUE ZONE

Aquatic food systems as climate solutions

Ministerial panel led by the Minister of Fisheries and Aquaculture of Brazil. Organized by the Ministry of Fisheries and Aquaculture in collaboration with the Food and Agriculture Organization of the United Nations (FAO) and the United Nations Conference on Trade and Development (UNCTAD), Chile, France, and Norway (tbc).

Participation of the Minister of Fisheries and Aquaculture
