Some relevant information:

Foreign bidders interested in participating in the event must register with SICAF, at <https://www.comprasnet.gov.br/seguro/loginPortal.asp>, as “Foreign Supplier”.

Foreign companies that do not operate in Brazil, as much as possible, will meet the requirements of legal, technical, tax and labor, and economic-financial qualification, upon presentation of documents equivalent to those required by Brazilian law, provided for in the Notice and annexes, in the form of the Law, translated, and must have legal representation in Brazil with express powers to receive summons and respond administratively or judicially.

For the purpose of signing the contract or the price registration minutes, the documents required to prove legal, technical, tax and labor, and economic-financial qualification will be translated by a sworn translator in the country and apostilled in accordance with the provisions of Decree No. 8.660, of January 29, 2016, or another that may replace it, or consularized by the respective consulates or embassies.

In the absence of qualification documents equivalent to those required in the notice, the foreign bidder must present an express statement that there are no such documents in its country of origin.

Submit an express statement that it submits to the Brazilian Legislation and that it waives any claim through diplomatic channels.

The other information, technical specifications, conditions, quantities, and requirements are established in the Notice and annexes.
