

Regional Office for Capacity Building - ROCB

Kelly Cristina Silva Morgero

Regional Office for Capacity Building - ROCB

Objectives

Promote the institutional strengthening of customs administrations in the region through capacity building actions;

Establish effective institutional communication;

Support the implementation of WCO instruments, manuals, and guidelines;

Promote benchmarking among customs administrations, encouraging the exchange of experiences and the adoption of efficient practices;

Foster regional cooperation, promoting synergies between customs administrations and other organizations;

Periodically evaluate the impact of capacity building actions, proposing continuous adjustments to ensure the relevance and quality of initiatives.

Integration of Regional Training Infrastructures

**Regional Office
for Capacity
Building**
